Welcome to Squire Camps!

Squire Camps is a set of four distinct summer programs for kids located at the Maria Regina High School campus. We cater to the camper who is both academically and athletically driven, seeking new experiences within a well-structured and adult-supervised environment. With a 45-year history of working with children, Squire Camps engages and inspires today's campers with the most up-to-date educational techniques and ideas.

Squire Camps provides children with a camp program that is completely individualized. Our total choice programs allow children to customize their own high-quality summer experience. Each camper can choose to focus on a full day of thorough sports instruction with either Tennis or the combination All Sports program. Or choose a day filled with a series of courses in Arts, Science, Culture, Computers, Sports and more through our Advantage programs. The choice is up to you! Campers in ALL programs have the choice of swimming and swim instruction as part of their day. Each session the camp hosts a Parent's Day carnival and BBQ!

Add that to an included daily catered lunch, a fully air-conditioned building, the option of early drop-off and extended days, transportation services, adult & teacher-certified instructors, and a top-notch campus with superior facilities and you'll have the best summer ever!

Sincerely,

Matt Davanzo
Camp Director

Squire Camps programs and courses are taught by adults with NY State Teacher Certification or equivalent experience, and are assisted by college-level staff in air-conditioned facilities.

We offer 4 distinct programs:

SQUIRE ADVANTAGE PRIMARY (Grades K-3) page 4

Advantage Primary is designed for younger campers looking to expand their horizons through a variety of fun and stimulating age-appropriate course choices.

Primary courses include Swimming, Cooking, Computers, Music, Sports, Art and more!

SQUIRE ADVANTAGE CHOICE (Grades 4-9) page 8

Advantage Choice enables campers to custom design their own schedule by choosing three morning courses and two afternoon courses based on their interests and talents. Advantage Choice offers a well-rounded program for an exceptional camp experience where learning and fun are the focus.

SQUIRE TENNIS ACADEMY (Grades 1-9) page 16

Our USPTR Tennis instructors provide a positive introduction to the new tennis player, as well as the opportunity for the experienced player to develop and refine his/her skills. Squire Tennis Academy welcomes all skill levels and abilities.

SQUIRE ALL SPORTS ACADEMY (Grades 1-9) page 18

All Sports campers are given instruction, practice, and games in baseball, basketball, soccer, football, tennis and a variety of other team sports. Squire All Sports is for the camper seeking the ultimate sports experience! Open to all skill levels and abilities.

Primary Course Descriptions Grades K-3

All Sports

Choose to play organized outdoor games including kickball, soccer, team races, and many other fun activities.

Jr. Archaeology

Archaeology is tons of dirt-digging, story-telling, mystery-solving fun. Come face to face with the past as you reconstruct fossils and explore the ancient world of Dinosaurs!

Cake Boss Jr.

Campers will prepare, bake, and decorate a variety of delicious desserts and develop their skills in the pastry arts. From frosting flowers to creative characters let your imagination run wild as you create an edible masterpiece!

Ceramics

Hand build your own creations or choose to paint an assortment of figures, vases... whatever your heart desires. Young artists can fan the flames of their creativity in the fire of a kiln. Even get some time with our real pottery wheels!

Jr. Circuits

For the young inventor who wants results! Create exciting projects from snap-circuits kits. Projects include burglar alarm, doorbell and more! A fun hands-on introduction to electronics.

Jr. Coding and Animation

Take your computer experience to the next level by building your own characters and animated story. Campers learn basic coding through exploring symbols and patterns. Don't just play computer games; create your own digital world.

Cooking

Learn to be an adventurous chef while practicing how to cook meals safely. Follow recipes to prepare a variety of dishes. Begin with kitchen basics and then move on to more creative dishes while exploring the art of healthy cooking.

Crafts

Make classic camp crafts like tie dye, beads, paper art, paintings, and more! If you love to create cool crafts, this is the course for you!

Game Room

Enjoy friendly games on our Ping Pong, Arcade Basketball, Foosball and Pool tables. Play Wii on our 3 flat screen TV's and watch movies. Join in the fun in the Game Room!

Legos

Challenge yourself to build the best Lego structure you can dream up. Weekly prizes are awarded for the most creative designs. Build a car, spaceship...whatever you imagine!

Maker Space Builders *New!*

Build cars, houses, planes, and many other fun things out of wood and other materials. Bring your imagination to life. Get ready to create, invent, and learn!

Martial Arts *New!*

A fun fitness activity that builds focus and concentration though this ancient art of self-defense. For anyone who wants to start or continue with Martial Arts.

Music

Learn how to play the guitar, read music, and sing songs! Basic chords, songs, and rhythm are taught by our very own music teacher.

Nature's Classroom *New!*

Take a walk on the wild side! This activity introduces young imaginations to the wonders of the outside world. Campers investigate nature through art, science, guided walks, and structured play.

Polymer Clay Jr.

Fabricate miniature crafts including pens, candle holders, jewelry, and imaginative sculptures with air dry sculpting clay called FIMO or Sculpey.

Jr. Robotics

Are you ready to build your first Robot? This course gives campers the opportunity to build fantastic robots of their own. Age appropriate kits will give campers a hands-on experience with our top notch teachers guiding the way.

Science/Engineering

Explore the world through fun projects such as Solar System, Sea-life Observation, and Wacky Physics. Build your own volcano and watch it erupt! Do hands-on experiments and participate in your very own science lab every day.

Swimming & Swim Instruction

This is a double period course from 9:15 am to 11:00 am. Lessons are taught by our Red Cross Certified Water Safety Instructors. Fun free swim time is also part of this double period! Bus transportation is provided to the Maplewood Swim Club just down the street.

Splashy/Water Fun

Enjoy our 50 foot long inflatable dinosaur water slide! If you like to get wet and have fun, but don't want to go swimming, then this big friendly monster is waiting for you!

Tennis

You can be the next Roger Federer or Venus Williams! Campers will receive instruction in serves, volleys, backhand, and forehand. Organized according to age and ability.

Theater

Singing and dancing, improvisation and storytelling...all in a days work in this course! Bring out the Broadway performer in you!

Art Design

In this course you use many different mediums to express your artistic abilities. Watercolors, tempera paintings, chalk and charcoal, and more are all at hand for creating your very own masterpiece!

Fee: \$75

Baseball

If you dream about becoming the next Derek Jeter, you have to learn the basics. Practice fielding, hitting, running bases, and the strategies of the game. Instruction involves drills, games, and lots of fun!

Basketball

Do you want to be like LeBron? Sign up for this course and you'll be on your way! Drill in the basic skills of basketball and finish off the period with games organized according to age and ability. With the focus on fun everyone is a winner on this court!

Cake Boss

Learn to decorate cakes like the pros and show them who's boss. Campers bake and decorate a variety of delicious desserts and develop their skills in the pastry arts. From frosting flowers to creative characters let your imagination run wild as you create an edible masterpiece!

Fee: \$75

Chopper Command

Pilot your own quadcopter! Take aerial photos and videos of your sky-high exploits and download them to create a one-of-a-kind cinematic experience. Use our flight simulators to master your piloting skills. Campers keep their quadcopter at the end of camp.

Fee and Copter: \$195

Coding and Animation *New!*

Create your own interactive stories and animations on our laptop computers. Gain an understanding of the world of coding as you create your own digital masterpieces using programs like Scratch Animation and others.

Crafts A to Z

It's crafts galore and more! Explore classic camp crafts such as lanyards, beads and clay, découpage, paper maché, and even tie-dye. From Apple prints to Zebra stripes. Campers take home new creations at the end of every week.

Fee: \$75

3D Creator

3D printing is a process of making three dimensional solid objects from a digital file. In our computer lab, campers design and then print their own 3D models out of plastic. Campers also get professionally scanned and receive a plastic bust of themselves!

Fee: \$95

Digital Photography

Develop your skills by snapping pictures around the Squire campus, producing portfolios from your photos. Instruction in photographic techniques and editing your work with various photo editing software including Microsoft Paint and others.
Fee: \$30 Must have a digital camera.

**Engraving and Etching**

Design projects on the computer, then carve and etch your designs out of wood, plastic, acrylic, and many other materials! Transfer your designs by using our wood burning and etching tools, along with our digital CNC machine for cutting, drilling and carving.

Flag Football

Coaches teach football through creative games and competitions that help instill a love of sports and movement in budding athletes. All the fun of a game of football without all of the equipment!

Gadgets and Gears

Challenge your engineering skills by creating and building rollercoasters, catapults, and other fun projects. Test their strength using hands on experiments and engineering know-how!

Game Room

Are you interested in Wii and Ping Pong tournaments, Foosball, Arcade Basketball, Pool and other games? Then this is the course for you! Play Wii on our 2 flat screen TV's and enjoy friendly games on our professional ping pong and pool tables.

Grand Prix

TENNIS ACADEMY

Grades 1-9

As of September 2018

Instruction:

Squire Tennis is designed to provide both a positive introduction to the young player new to the game, as well as the opportunity for the experienced player to develop and refine his/her skills. Each camper receives personalized instruction based on age and ability. Lunch in the air-conditioned lunch room is included.

USPTR sanctioned teaching methodologies are used at Squire Tennis Academy. The USPTR World Tennis Organization's method of instruction facilitates student learning by focusing on the core fundamentals of the game - ground strokes, serves, overhands, volleys, and half volleys as it pertains to both singles and doubles match play.

Swimming in the morning is an optional activity.

Facilities & Equipment

Squire Tennis uses the latest teaching and training technologies in tennis. Ball machines and teaching aids are part of the instruction. Campers are provided with hard courts upon which to learn and play. We play at Maplewood Tennis Club in the AM and Solomon Schechter Upper School in the PM.

Equipment Needs: Each camper provides their own sneakers and tennis racket. The program has a limited amount of extra tennis rackets available for use.

REGISTRATION: Squire Tennis is offered for four weeks (Session I), three weeks (Session II) or the Full Summer of 7 weeks. See the Dates & Fees page at the end of this brochure for more information. Less than full session registration is also available; please call for details.

FEES: Tuition for Squire Tennis is \$2,300 for four weeks, and \$1,725 for three weeks. The full 7 week summer is \$3,955.

FIELD TRIPS: Squire Tennis campers have the opportunity to join other Squire campers on a series of adult-supervised field trips offered throughout the summer. Choices may include a trip to Playland. Fees vary.

ALL SPORTS ACADEMY

Grades 1-9

As of September 2018

Instruction:

Squire All Sports exposes campers to a variety of sports such as Baseball, Basketball, Soccer, Flag Football and Tennis. Instruction, practice and competitive games in each sport are given. Campers are organized into groups by age and ability. The program is overseen by a head coach with each group led by an adult assistant coach.

The day is divided into periods in which each group participates in a different sport. Lunch in the air-conditioned lunch room is included. A 45-minute break in our air-conditioned game room and a 15-minute ice pop break are given in the mid-afternoon.

Swimming in the morning is an optional activity.

Facilities & Equipment

Squire All Sports utilizes an experienced coaching staff and provides campers with instruction and games on our fields and courts. We also have an indoor air-conditioned gym, game room, and dining hall.

Equipment Needs: Each camper provides their own sneakers and baseball glove.

REGISTRATION: Squire All Sports is offered for four weeks (Session I), three weeks (Session II) or the Full Summer of 7 weeks. See the Dates & Fees page at the end of this brochure for more information. Less than full session registration is also available; please call for details.

Camp Safety

There is a registered nurse on campus during camp hours. All campers are required to have our current year medical form and current immunizations on file at camp. Please complete the Squire Medical Form found online and send to us before the start of camp.

Deposit

A deposit of \$500 per child must accompany the application. The balance is due May 15, 2018. Space permitting, anyone who registers after May 15, 2018 must pay in full at the time of registration. Please put your child's name on memo line on your check. *No refunds after May 15th except for medical reasons with a doctor's note.*

Discipline Policy

Campers who sign up for Squire Camps will receive a list of Rules and Regulations. Please note: A first infraction will generate a phone call to parents. A second infraction will result in a meeting with parents. A third infraction may require dismissal from camp.

Changes to Schedule

Courses that do not have enough campers signed up will not run for that session. This decision is made at the discretion of the Camp Executive Director. An alternate class may be chosen to fill the spot. Parents will be notified if a course has been cancelled due to lack of enrollment or if a course has been filled because the enrollment has reached its maximum level. Squire reserves the right to alter the sports camp schedules as weather and facility availability permits. No fee refund is given for a changed class *except* if class is closed due to lack of enrollment.

THANK YOU!

Dear Parents,

As the father of three young children, I understand that taking care of your child is the greatest responsibility anyone can have. We realize the importance of this responsibility, and we take it very seriously.

It is important for parents of young children to talk to them about camp. Let them know they will have fun, meet new people, and that you look forward to hearing about their experience at the end of the day.

Our main concern is providing a safe, happy experience for child and parent alike. Through our certified adult teaching staff, we promote a caring and nurturing environment, where campers and parents can both feel secure. We promote learning through fun, and feel that camp has the ability to promote unparalleled growth and exploration, creating positive experiences that can last a lifetime.

Thank you for the opportunity in entrusting us with your most precious possession. Here's to a great summer!

Matt Davanzo
Squire Camp Executive Director
